Dear After School Parents and Participants,

Welcome to the RFCC After School Program! Our mission here at the Rushville Fitness and Community Center is to be a community-focused, non-profit organization that provides programs and services which promote healthy living for all while being a center for social interaction and wellness. Our program is for school-aged children grades K-4th and our main goal is to be a center for kids to engage with one another while exploring tons of different activities. This program is available for any child needing after school care, it is not limited to just members!

Our Staff

We believe that our staff are essential to running a quality program. All of our staff and volunteers have been certified in CPR/AED upon hire. These safety protocols have been put into place to ensure that each student has a fun and safe experience at our program. Staff members are not permitted to have contact with students outside of the program. Please do not ask employees to babysit, drop off or pick up your child. The child to staff ratio will be 1 to 20 for all age groups
